## Preface

A Maksymetz family reunion was often discussed, especially at family gatherings, for many years. This desire eventually became a reality when a few family members decided to organize the event. A meeting was held in June of 1981 to decide the date, agenda, and details of the reunion.

In order to preserve the history of our Maksymetz ancestry for future generations, the book, "Maksymetz Memoirs", was inspired. A contact person was appointed to gather the basic information from each family. Most of the information was contributed by the individuals themselves or by their immediate family. It should be pointed out that there is much more information about some families than others. As in any type of publication it was necessary to edit and condense the material to contain only basic and pertinent information.

We trust that this book will be read taking the above information into consideration.

Sincere thanks are extended to the executive, committees and many other individuals who have contributed countless hours and efforts to making the reunion possible.

Executive: *Chairman* — Mike J. Maksymetz  
*Vice-Chairperson* — Victoria Paskaruk  
*Secretary* — Michael L. Maksymetz  
*Treasurer* — Walter J. Maksymetz
